# FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and all applicable, adopted rules of the Texas Department of Insurance, Division of Workers' Compensation.

#### **Background**

- 1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
- 2. 28 Texas Administrative Code §134.203, titled *Medical Fee Guideline for Professional Services*, effective March 1, 2008, sets the reimbursement guidelines for the disputed service.

3. Neither party to this dispute submitted any copies of Explanation of Benefits to support denial of reimbursement for the disputed services.

#### <u>Issues</u>

1. Is the requestor entitled to reimbursement for CPT code 98940?

### **Findings**

- 1. Because neither party to this dispute submitted copies of Explanation of Benefits to support denial of reimbursement, the disputed service will be reviewed per applicable Division rules and fee guidelines.
  - Per 28 Texas Administrative Code §134.203(c)(1)(2), "To determine the MAR for professional services, system participants shall apply the Medicare payment policies with minimal modifications.
  - (1) For service categories of Evaluation & Management, General Medicine, Physical Medicine and Rehabilitation, Radiology, Pathology, Anesthesia, and Surgery when performed in an office setting, the established conversion factor to be applied is \$52.83. For Surgery when performed in a facility setting, the established conversion factor to be applied is \$66.32.
  - (2) The conversion factors listed in paragraph (1) of this subsection shall be the conversion factors for calendar year 2008. Subsequent year's conversion factors shall be determined by applying the annual percentage adjustment of the Medicare Economic Index (MEI) to the previous year's conversion factors, and shall be effective January 1st of the new calendar year. The following hypothetical example illustrates this annual adjustment activity if the Division had been using this MEI annual percentage adjustment: The 2006 Division conversion factor of \$50.83 (with the exception of surgery) would have been multiplied by the 2007 MEI annual percentage increase of 2.1 percent, resulting in the \$51.90 (with the exception of surgery) Division conversion factor in 2007."

The 2010 DWC Conversion factor is \$54.32.

Review of Box 32 on the CMS-1500 the services were rendered in zip code 77090, which is located in Harris County.

CPT code 98940 is defined as "Chiropractic manipulative treatment (CMT); spinal, 1-2 regions."

The MAR for CPT code 98940 in Harris County is \$37.21. The respondent paid \$0.00; therefore, the requestor is due \$37.21.

# **Conclusion**

For the reasons stated above, the Division finds that the requestor has not established that additional reimbursement is due. As a result, the amount ordered is \$37.21.

# **ORDER**

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code Sections 413.031 and 413.019 (if applicable), the Division has determined that the requestor is entitled to additional reimbursement for the services involved in this dispute. The Division hereby ORDERS the respondent to remit to the requestor the amount of \$37.21 plus applicable accrued interest per 28 Texas Administrative Code §134.130, due within 30 days of receipt of this Order.
